

ETI – Brands That Communicate

**July 1<sup>st</sup>, 2009**

Dear Value Customer:

In our continued efforts to provide best-in-class devices and wireless solutions to the SME and consumer market, EnGenius Technologies Inc., from time to time, reviews its product portfolio and may discontinue the sale of certain products. It is our goal to provide advance notice of the intent to discontinue a product; discontinued items can be found in the table below.

<b>Product Item:</b>	<b>Date of Discontinuation:</b>
EOC-3220 EXT	September 1 <sup>st</sup> , 2009 (while supplies last)
EOC-8610S EXT	September 1 <sup>st</sup> , 2009 (while supplies last)
EMP-9701	September 1 <sup>st</sup> , 2009 (while supplies last)
EUB-862 EXT2	September 1 <sup>st</sup> , 2009 (while supplies last)

On occasion, we realize that a discontinuation will have some impact on your operations and we are thoroughly committed, to the extent possible, to minimize any significant negative impact resulting from this change. EnGenius Technologies Inc. will continue to provide technical support to our Dealers/ Resellers throughout this transition. Additionally, we can recommend alternative solutions, where needed, to help support previous deployments.

EnGenius Technologies Inc. is firmly convinced that, by focusing on our core competencies in wireless voice and data devices and applications, we will be in an outstanding position to offer the best possible wireless communications products and services to our customers.

If you have any questions or concerns about the items involved in this notice, please contact your EnGenius Sales Representative, as soon as possible.

Best regards,

Your EnGenius Product Management Team
