

## 14"x10"x6" Weatherproof ABS Economy Enclosure Model: NBE141006

### Applications

- Remote Wireless LAN WiFi equipment installations
- Indoor and outdoor installations
- Rapid Deployment installations
- Corrosive environments
- Security and surveillance equipment installations

### Features

- Injection molded ABS resin UV protected enclosure for use in light-weight applications
- Molded quick release latches and a separate padlock hasp
- NEMA Type 3, 3X and IP55 / IP67 rated
- Fully gasketed lid
- 8 brass inserts (bosses): Four in the box to mount an (optional) internal plate, and four on the back for the included mounting bracket kit

### Description

The box is a rugged, lightweight weatherproof economy enclosure that is ideal for both indoor and outdoor applications. Constructed from injection molded ABS resin, it is well suited for a wide range of temperature or harsh environments. The mounting holes are molded into the enclosure permitting it to be wall mounted as well as on a flat surface. The fully gasketed lid features a 2-part molded hinge and molded quick release latches with a locking eye on the lid. Optional Aluminum and Non-Metallic mounting plates are available separately. The enclosure material is UV stabilized and comes in neutral light gray color.

The NBE141006 is ideal for custom applications, which may require special modifications to the enclosure. Molded in bosses inside the enclosure are used for the mounting plate. The NBE141006 is designed for use as electrical and electronic box in many environments including factories and processing plants; municipal and state government installations; retail, wholesale, warehouse and commercial facilities. These enclosures are also suited use as an instrument enclosure in both indoor and outdoor applications.

### Specifications

<b>Enclosure Material</b>	ABS (Acrylonitrile Butadiene Styrene) UV Protected
<b>Enclosure Color</b>	Neutral Light Gray
<b>Weight</b>	2.9 lbs (1.3 kg)
<b>Outside Dimensions (max)</b>	14.6 x 10.6 x 6.0 in. (370 x 268 x 152 mm)
<b>Inside Dimensions</b>	13.7 x 9.7 x 5.3 in. (346 x 245 x 136 mm)
<b>Flame Rating</b>	UL 94-HB
<b>RoHS Compliant</b>	Yes
